**School Wide:**

Next week Monday we will have a day off due to Martin Luther King Jr. Day. Today was the last day for Picture day retakes in the High School.

**Sports:**

Boys and girls hockey, boys and girls basketball, girls gymnastics, swim team and ski team have all begun their season. Up to date game information can be found on the high school website under athletics/winter sports.

It is anticipated that boys and girls varsity basketball games will be live streamed once the technology is set up using the new Clear Touches. You will be able to watch the games from the comfort of your home.

**Clubs:**

Spanish National Honor Society had students put together an Instagram page to promote Spanish in the community. They are posting a daily "word of the day" with an accompanying explanatory image. They are also available for peer tutoring.

The Math Team was able to run a Virtual League Match last Thursday. They will be holding another Virtual League Match on January 21.

DECA finished up with their Virtual Mock Competition last week in preparation for their Virtual District Competition. All members will be competing over the next few weeks. Members have submitted their 10-20 page research project online and will be submitting their DECA presentation in the form of a video as well.
