

KPMS Events

For School Committee 5/3/21

Kindness Club

Starting on Tuesday, April 27th, the KPMS Kindness Club will be running a 2-week clothing drive benefiting the charity Cradles to Crayons. Cradles to Crayons is an organization that ensures school-aged children have everything they need to be successful in school.

For the two week drive, there will be a large donation bin outside the main office, and another bin outside the main entrance doors, for a contactless option. We are looking for children's clothes, sizes 0 to youth XL. All donations would be greatly appreciated!

All proceeds are in partnership with Project 351 of Massachusetts and our three two Ambassadors; Maddie Asprelli, Gavin Hickey, and Rhianna Mason.

Disc Golf

Students are invited to join Intramural Disc Golf. Disc Golf will be held on Tuesdays.

Open Book 2021

For Open Book 2021, the KPMS community, including students, staff, and families, are invited to read *The Lions of Little Rock*, by Kristin Levine.

The story takes place during the 1950's in Little Rock, Arkansas where two middle school students and their families face the challenges of school being shut down (yes, they even had remote learning!) in an effort to resist the Supreme Court ruling on integration.

Besides the undeniable benefits of reading, students will learn about real and relevant historical events. Plus, to wrap it up, there will be a celebration for all participating students. In June, all participating students will watch the 2000 movie *Remember the Titans*, which is based on the true story of a newly-integrated 1971 high school football team in Alexandria, Virginia.

Almost 200 students are already signed up!
