REPORTS AND RECOMMENDATIONS OF THE SUPERINTENDENT

District Update:

Mr. Zinni shared information on the following topics:

- Disproportionation report from DESE indicated not identified, not flagged, which explained is a good rating.
- Healthy KP hosted *The Fifth Quarter* that was held following the football game on Friday night that KP won. Healthy KP is a volunteer group who are concerned about our youth and keeping them substance free. Executive Director Bigness, Mr. Lewis, and members of Healthy KP organized the event with the assistance of countless volunteers, including members of the KP Administrative Team.
- Graduation will be moved from Saturday, June 4 to Sunday, June 5 at Stonehill College. Mr. Knott asked that the district explore the possibility of having graduation back at KP rather than at an off-campus location.

- **Mask Status:**

Mr. Zinni provided an update on the vaccination calculation rate that includes a combination of fully vaccinated staff and students in each building. Once the 80% calculation has been met, Mr. Zinni will be working on obtaining a waiver form to send to the state.

- **College Initiatives and dual enrollment:**

Mr. Zinni, Dr. Gilson, and Dr. Mobley met this morning with UMass-Dartmouth delegates to discuss a college initiative program for MS and HS students. UMass-Dartmouth is very eager to look at some options that include college enrichment programs, (offered at a low-cost option), work opportunities and internships that will also be explored.

Dual enrollment was also discussed with KP faculty being hired at the college level as an adjunct professor to teach a college syllabus to students and to be able to award them a college grade. Mr. Zinni noted that within the next week, meetings will also be held with William James College and Middlesex College to discuss the college initiative program.

NEW BUSINESS:

HS School Improvement Plan: Dr. Mobley

Dr. Mobley presented the 2021-2024 HS School Improvement Plan (HS SIP) aligned to the District Strategic Plan and Goals. The HS designed their School Improvement Plan with School Council and with Faculty contributions to develop 3 Strategic Goals that includes Action Plans for each Goal. Discussion ensued on terminology and examples used in the HS SIP.

Following discussion on Action Plan – Goal #2.4a, Dr. Mobley will amend the HS SIP and delete the word “persons” and include projected dates of completion and/or an assessment of progress or completion for the 2nd reading to be presented at the next School Committee meeting. Dr. Mobley will also provide an update/review of the HS SIP to the School Committee in February 2022.

UNFINISHED BUSINESS:

Capital Improvement:

Mr. Zinni gave an update on the capital improvement audit that was done on immediate and long-term needs of the school buildings. On a more current note, the Guidance Offices have been moved into the library due to findings based upon air quality testing and filtration systems in the Guidance Suite caused by summer dampness. Mr. Zinni indicated that there is no evidence of actual mold. Guidance will remain in the library until the problem has been solved as we do not want our staff and students in that environment until it has been resolved. We are waiting for the final reports to be provided. As a next step, the library will be remodeled by creating new spaces for privacy to meet everyone’s needs.

REPORTS FROM SCHOOL COMMITTEE MEMBERS:

- Norfolk School Committee Representative: Ms. Ward – Norfolk’s next meeting will be held on 10/19/21
- Plainville School Committee Representative: Mr. Brenneis – Plainville held their meeting on 10/12/21 and discussed enrollment and attendance, construction project, and new Test & Stay protocols.
- Wrentham School Committee Representative: Ms. Almeida – Wrentham’s next meeting will be held on 10/19/21.

LATE COMMUNICATIONS:

None

REPORTS OF SPECIAL COMMITTEES:

None

RECOMMENDATIONS OR QUESTIONS FROM INDIVIDUAL COMMITTEE MEMBERS:

Jim Lehan asked for an update on the Diversity presentation. Mr. Zinni indicated that Ms. Pepple held a *Listening Tour* attended by about 40 people that included administrators and staff of the four districts and was attended by very few parents from the community. Mr. Zinni indicated that Ms. Pepple did an excellent job presenting and answering some questions. She also followed up with an email to those who attended and received feedback from about 10 people.

ADJOURNMENT:

- **At 7:55pm, a Motion was made by Mr. Ward, seconded by Ms. Almeida, to adjourn. All in favor: Yes (9); No (0); Abstain (0). Motion carried 8-0-0**

Mr. Khan adjourned the meeting.

Respectfully submitted,

Elisa B. Witkus

Secretary to the School Committee

King Philip High School School Committee Report

Submitted by Ahunna James

October 18, 2021

School Wide

Last week, students and staff alike enjoyed a long holiday weekend. Teachers took part in professional development on Tuesday, October 12 with an outside consultant to begin defining the vision of a KP graduate; what are the skills, competencies, mindsets and literacies we want our students to have when they leave KP.

Healthy KP finally had a chance to hold their 5th quarter event after the game on Friday, October 15 with coaches and teachers participating in the fun by "volunteering" for the dunk tank. There were raffles, prizes, murals, a popcorn and cotton candy machine, corn hole, kanjam, a giant connect four, ladder ball, and live DJ.

Sports

KP continues to have a great fall season. Unified basketball recently began with students from various teams playing with our unified students. Watch out for KP teams playing at home. Schedules can be found on Arbiter Live; search for King Philip.

Fine and Performing Arts

KP Drama & KP GAPS

Students are continuing to rehearse and prepare for the play in December.

GAPS students are continuing to develop their tech skills as they support outside dance teams and groups who rent our facilities. They are also the students who work at the school committee meeting.

Music

The marching band held their home show/competition with eight regional bands on Saturday, October 9. KP performed their show "Your Choice" and won best music in their division.

Clubs

Debate Club

The next meeting is Tuesday, October 15 in Room 205 at 2:30 PM. New members are welcome.

DECA

DECA held a Pumpkin Painting event with Leo Club on October 16. Participants were asked to bring a pumpkin to be painted. Some pumpkins will even be featured in the Norfolk Haunted Car Crawl.

SADD

SADD continued the #RockTheBelt challenge. The goal is to fill social media feeds with "Seat Belt Selfies" of friends and community members that are proud to buckle up every ride, every time. Through awareness and positive influence, they will encourage seat belt use to save lives!

KP Cares

KP Cares is working with New Emerald Housing and Wrentham Development Center to provide yard clean-up, they are also working with the Pond Home & Wrentham Development Center to make Halloween cards and goody bags for residents.

The annual poinsettia fundraiser is being held to support club activities and for the Henry Carr Memorial Scholarship Fund. This is a huge fundraiser, contact a KP Cares student to purchase a poinsettia or two.

The backpack drive was just completed for DCF workers to give to emergency foster care. Enough items were collected to fill 25 backpacks.

Student Council

In conjunction with KP Cares, student council is creating a "scene" to scare visitors to the Norfolk Haunted Car Crawl on Saturday, October 23.

Student council is also sponsoring a trunk or treat for our young community members. KP students can sign up for a parking space and decorate their cars to distribute treats. This event will be on Thursday, October 28 from 6pm to 8pm. Community members will be asked to sign up in advance just to give our student an idea of how much candy to have on hand. The best decorated car will receive a \$100 Visa Gift Card with the runner up receiving a \$50 gift card.

Colleen O'Shea of Colleen's Crafts is running a crafting event on November 16. Participants can create one of six holiday rounds. This is open to both students and parents and the cost is \$55. Mrs. O'Shea is donating a significant portion of the cost to student council. People can sign up by accessing the StuCo Instagram account @kpstuco.
